Stephan Buchert, scb@irfu.se, mobile: +46-76-4304465

Meeting website: <https://www.space.irfu.se/workshops/LPMR-EISCAT>

Venue

The meeting will take place at [Sundbyholm Castle](#) at lake Mälaren, about 100 km west of Stockholm. The nearest town is Eskilstuna. Please see the travel information further down in this document.

The nominal arrival day is Sunday, August 14. The nominal departure day is Friday, August 19 (after lunch). Your accommodation is either in the hotel at Sundbyholm Castle or in cottages at the nearby camping.

Addresses are:

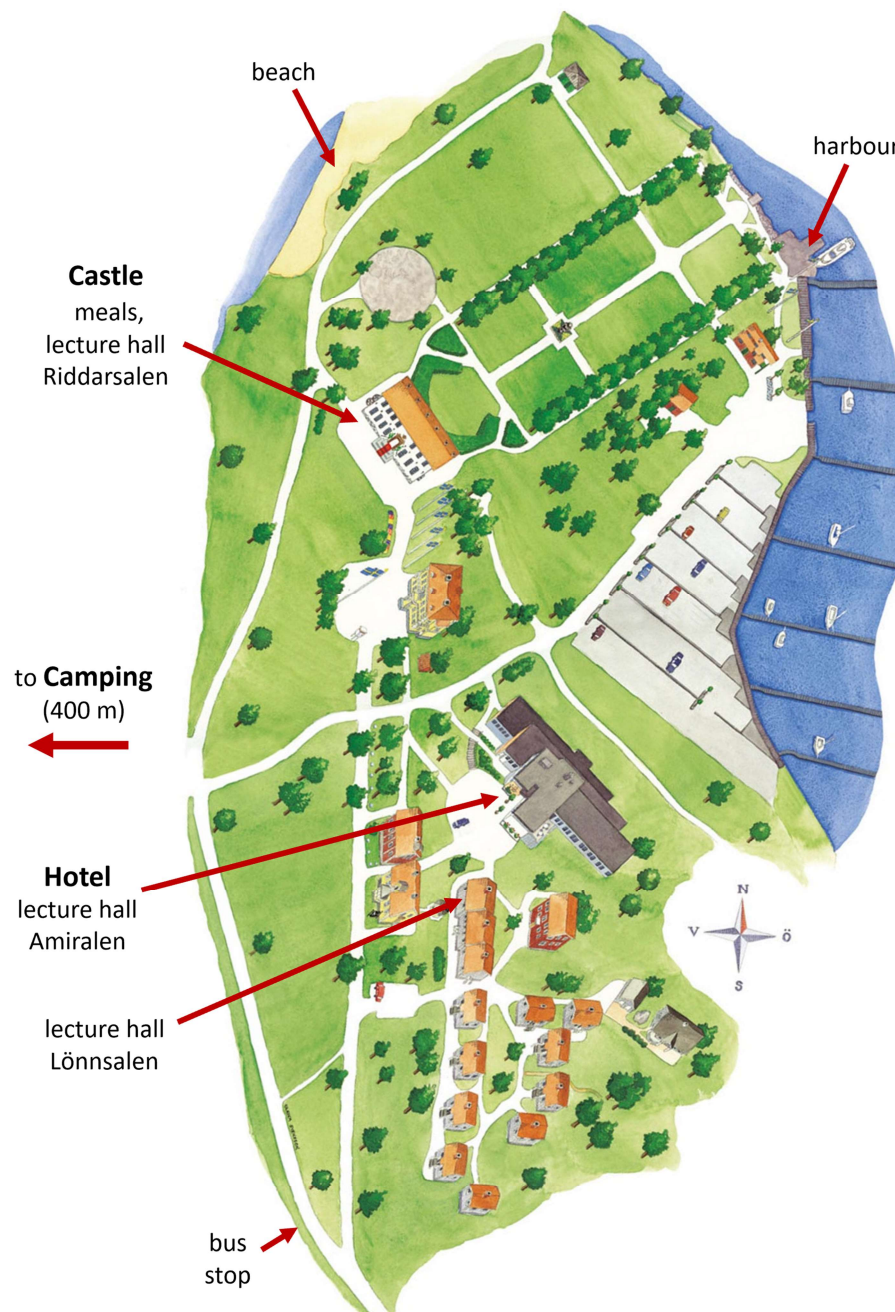

Sundbyholms Slott
635 08 ESKILSTUNA
phone: +46-(0)16-42 84 00
e-mail: info@sundbyholms-slott.se
web: <https://sundbyholms-slott.se/en>

Sundbyholms Camping
Campingvägen
635 08 Eskilstuna
phone: +46-(0)72-220 99 00
web: <https://www.sundbyholmscamping.se>

If you plan to arrive earlier than August 14, we recommend that you book a hotel in Stockholm or in Eskilstuna. The Sundbyholm hotel is booked out prior to August 14, unfortunately. If you plan to stay longer than August 19, there are rooms available at the Sundbyholm hotel.

See the map below for the facilities at Sundbyholm. Registration will start in the Castle on Sunday, August 14, at 17:00. All meals will be served in the Castle: breakfast at 7:00-9:00, lunch at 12:30, dinner at 18:30. There is also a bar in the basement of the castle. The first joint activity will be the dinner on Sunday at 18:30.

Conference lectures will be held in the lecture halls Riddarsalen (in the castle), Amiralen (in the hotel) and Lönnsalen (near the hotel). The first lecture will start on Monday at 9:00 in Riddarsalen.

On Thursday at 16:00-19:30 we will have a boat excursion from the harbour, including a dinner on the boat and a visit to a close-by island.

If you have booked accommodation at the camping ground, you will live in cottages in groups of 2-4 participants. Breakfast is not included when you live at the camping ground. Thus, you should prepare breakfast on your own. As an alternative, you can pay for breakfast at Sundbyholm and join the other participants at the breakfast buffet in the Castle. The cost is SEK 175 per breakfast. Please let us know in advance if you want to choose this option.

Travel from Arlanda Airport and Stockholm to Eskilstuna

There are convenient direct trains from Arlanda Airport and from Stockholm Central Station to Eskilstuna. The trains are called “mälartåget” and run approximately once per hour. The trip from Arlanda takes 1,5 hours and costs SEK 348. The trip from Stockholm takes 1 hour and costs SEK 172.

The train station at Arlanda is located in the airport building between Terminal 5 and Terminal 4. You can buy tickets at the entrance to the station.

Please find timetables for the trains in both directions at the end of this document.

Travel from Eskilstuna to Sundbyholm

The distance between Eskilstuna station and Sundbyholm is 11 km. We will organize a free shuttle service on Sunday, August 14, connecting to the trains arriving at Eskilstuna station between 11:56 and 23:57. The shuttle service will stop both at the Sundbyholm hotel and at the Sundbyholm camping ground. We will send out more detailed information about this shuttle service later.

At other times, the most convenient way to travel between Eskilstuna station and Sundbyholm is by taxi. You will find taxis in front of the train station. The trip costs approximately SEK 450.

There is also a bus connection between Eskilstuna and Sundbyholm: bus no. 9. Unfortunately, the bus stop is located about 1 km away from the train station. Currently, there is a reconstruction going on, and we do not yet have information about the location of the bus stop and the timetable during the week of the conference. We will distribute this information later.

Online Participation

The EISCAT-related sessions will be available online in a hybrid setup using Zoom. We will later send out detailed instructions about the online access.
